

*Grand Banks 55 Eastbay SX shows off her lines at Classic Yachts International's Fort Lauderdale office*

This new model features many of the innovations first seen in the GB45SX: a huge cockpit with built-in seating; an enormous salon/helm area with larger windows, more headroom and easier visibility while driving the yacht; aft windows

with curved glass, port side aft window electrically powered, increased storage and so much more! Accommodations include two staterooms, each featuring a queen island berth and ensuite private heads with full showers.

## EXTERIOR

*View from Aft*

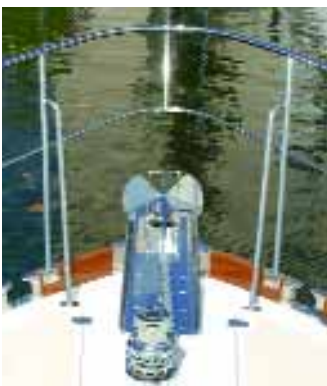

*Chrome dorades on the foredeck*

*Staircase to engine room*

*Wide side decks and high rails for line handling*

*Bow pulpit and anchor windlass*

*Three cockpit lazarettes can store a lot of gear*

*Screen doors on both sides of salon & aft door*

## INTERIOR - SALON

*Main Salon looking forward*

*Main Salon port side*

*Main Salon starboard side*

*Main Salon looking forward*

## INTERIOR - HELM

*Helm station is redesigned with a larger electronics console, full-size steering and pedestal seat.*

*Double Stidd® seat on port side*

*Sunroof*

*with sunshade closed*

*Helm controls*

Forward, Hull #3 has the GB55SX "F01" layout.

*In this configuration, the galley is reconfigured as the companionway moves farther port off the center-line, to make room for a queen island berth in the master cabin, along with an ensuite head and enclosed shower.*

*As a result, the portside head with (2) entry doors becomes a day head or the en-suite head for the forward guest stateroom.*

## GALLEY

*"Absolute Black" granite countertops. Water purification system is installed under sink*

*Pot holders on cooktop for cooking underway*

*Rack bin storage below cooktop*

*Tambour door hides cutlery drawer under microwave. Note swing-out cup holder in corner.*

## INTERIOR - MASTER STATEROOM

*Master stateroom is midships, opposite the galley, and features a walkaround queen berth.*

*Under bed storage is cedar-lined*

*Master stateroom has ensuite head and shower*

*Built-in flat screen TV on the forward bulkhead*

*An overhead hatch provides plenty of natural light*

INTERIOR - GUEST STATEROOM - FORWARD

*Vanity in guest stateroom head*

*Guest stateroom head and shower*

*Starboard side of guest stateroom*

*Guest stateroom looking aft*

*Hanging locker on port side*

## INTERIOR - HALLWAY

*Hallway, looking aft from guest stateroom*

*Washer and dryer are in the hallway*

*Hallway, looking forward*

## ENGINE ROOM

*Engine room looking forward*

*Each Caterpillar C-15 ACERT is rated at 853 HP*

*A/C compressors*

*Starboard propeller shaft*

*Ladderway exit at the aft of engine room*
